**LYING LIBERALS' WORST NIGHTMARE HAS ARRIVED—
THE TRUE, DOCUMENTED RESPONSES TO ANY LIBERAL CLAIM!**

“Political and media spin are shot to pieces by hard facts.”—Dr. Thomas Sowell, columnist and author

Annapolis, MD—Hollywood elitists, Democratic talking heads, and university professors preaching leftist ideas—BEWARE. Fed up with liberals' vitriol and over-the-top rhetoric, Boston talk-radio host Gregg Jackson raises the stakes in the national political debate in his explosive *Conservative Comebacks to Liberal Lies: Issue-by-Issue Responses to the Most Common Claims of the Left from A to Z*.

“Think of it as the oracle for conservatives,” says Jackson of his scrupulously researched, sharp-tongued assault on common claims made by leftists. “It’s the one book that everyone kept telling me to write.”

Conservative Comebacks to Liberal Lies is a repository of fact-based responses to the left’s most well-known claims on today’s most important political, social, and cultural issues.

Covering issues ranging from abortion to the Clinton scandals to weapons of mass destruction to assaults on President George W. Bush, this instant blockbuster is broken into chapters from A to Z. The clear-cut, easy to follow claim/response format lays out the issues in a series of talking points based on solid research so readers can quickly access accurate information and test musty liberal assumptions against the power of hard facts.

Conservative Comebacks to Liberal Lies refutes hundreds of liberal claims, including:

- The fetus is part of the pregnant woman’s body, so a woman has a right to do what she wishes with it.
- The Constitution mandates the separation of church and state.
- Republicans are the party of rich corporate special interests.
- Bush exaggerated the case for war in Iraq by lying about WMD.
- Homosexuals are born gay. Homosexuality is immutable. It can’t be reversed.

It’s the book that Teddy, Hillary and the *New York Times* fear the most—and it’s every liberal’s worst nightmare come true—because it’s the truth!
