

WAYNE S. SIMMONS
PRESIDENT

Wayne S. Simmons is the force behind Simmons Air, Inc. Simmons' experience in government service has enabled him to gain proficiency in developing and fostering working relationships, identifying individuals with expertise in a field, analyzing opportunities, and recognizing how to use this information in approaching any situation.

Simmons has extensive government experience which was gathered during twenty-seven years in the intelligence business with the CIA. Recruited by the CIA in 1973 while in the U.S. Navy, Simmons became part of a special operations group that sent him all over the world in service of his country. He spent his career in the Caribbean, Europe, the Far East and Central Asia working against narco-terrorists, arms smugglers, counterfeiters, cyber-terrorists, and industrial and economic espionage.

Later in his career, Simmons became President and CEO of WSS International, Ltd, a Maryland company formed to arrange loans for multinational companies in Europe, Hong Kong, and Macau. He was also involved in working with American Fortune 500 companies and providing introductions to the various foreign ministers of Kazakhstan.

Currently, Simmons is the general manager and senior loan officer of an Annapolis, Maryland home mortgage broker. In addition, he is an expert analyst for the Fox News Channel on intelligence and military operations worldwide.
